Clear Picture have completed several commercial projects, the image on the right was taken from one of the risers in a block of 22 flats. These flats have Sky, Sky + or Sky HD, Freesat, DAB, all the terrestrial analogue channels and the digital terrestrial channels.

We use the latest technology to ensure maximum benefit, if you working on a project that requires a communal system be sure to contact us, we've bettered quotes in the past and will always do it again – guaranteed!

Clear Picture specialises in digital TV, be it satellite, aerials, plasma mounting, door entry or audio visual systems we have a proven track record in and around Kent.

We've helped hotels and B&B's upgrade their systems. Clear Picture have successfully installed digital systems in several commercial developments – for more information or references please do not hesitate to contact us.

We pride ourselves to build working relationships with our clients and ensure we go on to support and help them through ever changing technologies.
